Dealga McArdle

Clonmel, County Tipperary e91Ny95 | +353 87 684 1455 | tetha.z@gmail.com

Summary

I'm punctual, calm, tidy, reliable, and have many interests. I cycle and walk, preferably in hills or mountains to stay fit. I was made redundant from my last job because a large portion of my workload was outsourced to Asia. I am eager to work in a sector that needs hands-on physical presence. I also live close by and am happy to do overtime if needed. Feel free to contact me at any time throughout the day to discuss the position or arrange an interview.

Personal Information

European Union Work Permit: Yes
Highest Level of Education: Bachelor's
Industry: Information Design & Documentation
Total years of experience: 2

Work Experience

BIM/CAD Technician

NJD Consulting Engineers | Clonmel, County Tipperary

July 2024 to March 2026

- Turning 2D Architectural CAD/PDF files into Structural Revit models.
- Taking sections/callouts and creating sheets/schedules from Revit models for the Structural Engineer to mark up.
- Incorporating mark-ups/tags into a final structural drawing.
- Creating 2D/3D details to convey complex structural information.
- Creating 3D topological maps from 2D CAD data.
- Creating models from steelwork drawings for Structural Analysis (Anything from steel framed workshops to intricate pharmaceutical pipe-racks, using SkyCiv) .
- Producing Planning drawings

IT related tasks:

- Set up several council planning website monitoring scripts to check for activity on a planning application (using Python)
- Set up a VPN to facilitate remote working
- Maintaining the Revit template and Families.
- I documented standard operating procedures and used them to keep my work consistent.
